I read a blog post by Adam Faughn, the pulpit minister for the 9th Avenue church of Christ in Haleyville, AL, called "10 Reasons I'm Proud to be a Member of the Church of Christ." In order for this to fit in the bulletin, I had to take out a few things from each point. I strongly encourage you to go and read the full blog on www.alegacyoffaith.us.

1. It Belongs to My Lord. Jesus clearly stated, "I will build my church" (Matthew 16:18), and that is exactly what He did. Beyond that, though, He also purchased it with His precious blood. I do not ever want to be part of any church that does not belong to Jesus.

2. It is Not Ashamed to Wear Christ's Name. While there are many Biblical designations for the church ("The Way," "The Church of the Firstborn," etc.), I am grateful to be a part of a congregation that is not ashamed to proudly wear the name of Jesus.

3. Hell Cannot Defeat It. Jesus made the clear promise that "the gates of hell" would not prevail against His church! (Matthew 16:18) There are people being saved by the blood of Jesus and added by the Lord to His church every day around the world. Hell not only will not win, it cannot win!

4. It is My Spiritual Family. As the song says, "Sometimes we laugh together; sometimes we cry." I honestly do not know how people make it through this life without a spiritual family to lift them up.

5. The Church Helps Others. One of the "shots" that people like to take at the church is that it is insular; in other words, it only takes care of its own. If you believe that, you have not been to the congregations I have been around! The light of God

is shining in these communities because of the church.

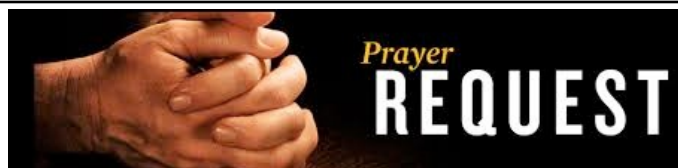

6. The Worship is Simple, Biblical, Emotional, and Powerful. No, we do not have instruments. God has not authorized them (cf. Galatians 5:19; Colossians 3:16; Hebrews 13:15). But when all of God's people, in humility and reverence, worship Him together, absolutely nothing stirs the soul any more powerfully. If I leave unmoved by worship, it is not the fault of the church. It is my own fault!

7. I Get to Meet the Greatest People on Earth. When I travel to speak or to attend other events, I am constantly amazed at how wonderful God's people are. They are humble, kind, filled with good manners, encouraging, and loving.

8. It Will Stand Long After Any Denomination. Many in the broader "Christian" world are beginning to see that denominations are failing fast. I'm grateful to be part of the church that started on earth in Acts 2 and continues to this day. It will stand because it does not denominate; it does not divide based on creeds of man or based upon personality. Instead, it faithfully follows the same pattern it has for 2000 years: the Word of Christ.

9. Only the Church of Christ Can Truly Balance "Spirit" and "Truth" in All Matters. Other groups must add a third thing—manmade creeds, statements of faith, opinion polls, and other additions—to the balance. Instead, we simply follow the Truth, which is the Bible.

10. Christ Will Bring the Church Home Forever. These wonderful people I get to spend time with here on earth? They will be with me forever in heaven because Christ will bring His Bride, the Church, home. Enough said!

Billy Cook received great news! His PSA count is zero. He has to return every three to six months for a follow-up.

Florence Crosthwaite had a spot on her nose removed and is having a bad time right now as her face is swollen and black and blue. She may not be out and about this weekend.

Shanon French is back in Solaris, room 166. Unfortunately drugs after the surgery are making him not himself. Prayers needed.

Cheryl Gardner's knee surgery went well. She is at home resting.

Barbara Moses is to have another Heart Cath on Friday, May 12 at 10:50am at Baptist Hospital.

Steve King, Jr was released from the hospital; however, he is still in a lot of pain and requests no visitors please.

Ernie Berg, who is Andy Hinote's mother-in-law, has cancer in several parts of her body. She is 99 years young.
